Self-Pay Discounts (No Insurance)

Quakerbridge Radiology is dedicated to ensuring that compassionate, quality care is extended to all.

Many people are feeling the impact of our national economic woes; our Self-Pay Discount Program is available to help patients who do not have insurance. Our discounts range from 50% to 80% off of our Normal Fee Schedule. Below you will find pricing for a sampling of common studies, but feel free to contact one of our Patient Care Coordinators who will be able to assist you with a price quote. We have bilingual, Spanish-speaking representatives available to assist those who speak Spanish.

Eligibility Criteria: No insurance coverage available. No claim is to be submitted to an insurance company. All information is confidential.
